

Thank You for Supporting Our Community – Here's What's Changing

Dear Valued YMCA member,

Thank you for your continued investment in your health and in the wellbeing of our entire community through your Y membership. As a member of the YMCA, you are doing much more than exercising — you are helping to fuel programs that strengthen and support our community. For this, we are truly grateful!

After careful consideration and a continued focus on fiscal responsibility, we are looking to the future as we navigate rising costs related to daily operations, including attracting and retaining high-quality staff. To remain a financially sound and sustainable nonprofit organization that provides exceptional programs and services, we will be implementing a **membership rate adjustment effective January 1, 2026**.

In addition to price increase, we are **also introducing new membership types: 1 Adult Plus, and 2 Adults**. These new options offer the value and convenience of bundled memberships for adults who wish to include dependents, as well as for adults without children or young adults in the household.

Membership Type	Current Rate	New Rate	Joining Fee
Young Adult (ages 13–26)	\$38.50	\$41.00	\$25.00
Individual Adult (ages 27–64)	\$48.50	\$51.00	\$25.00
Senior Individual (ages 65+)	\$43.50	\$45.00	\$25.00
1 Adult Plus (1 adult + up to 4 dependents)	—	\$65.00 (Each additional dependent above 4 add \$5.00)	\$50.00
2 Adults (same household)	—	\$70.00	\$50.00
2 Adult Plus (2 adults + up to 4 dependents)	\$67.00	\$75.00 (Each additional dependent above 4 add \$5.00)	\$50.00
Discount Memberships			
First Responders (50% discount)	—	50% off applicable rate	\$25 or \$50
Veterans (15% discount)	—	15% off applicable rate	\$25 or \$50
Corporate (15% discount)	—	15% off applicable rate	\$25 or \$50

Please note: Joining fees do apply to discounted memberships and will vary based on the membership type selected. For example, a First Responder receiving 50% off an Individual Adult membership will pay the standard \$25.00 joining fee associated with that membership category.

Membership type **changes will not be processed automatically**. If you would like to switch your membership type to the new 1 Adult Plus, 2 Adult or any other category effective January 1, 2026, **please contact our front desk staff or submit a request to our Business Office no later than December 31, 2025**.

We sincerely appreciate your continued support and partnership in strengthening our community through the YMCA.

With gratitude,

David Caudle
Interim CEO
